# Ready for a change!

If you are at least 16 years old, we invite you to share your talents and a little bit of your time with us by becoming a volunteer firefighter.

No experience necessary! Bring a willingness to learn and we'll provide all the training you'll need.

Before long, you'll be the one helping your neighbors when they need help most.

# STAFFORD Volunteers

Since 1962, the Stafford Volunteer Fireman's Association has provided firefighting and rescue services to the citizens of Stafford County through an all volunteer fire company. We are one of the most respected fire companies in the county and take great pride in the reputation our members have earned for us over the years. Our member's dedication and commitment to providing the best possible service to our community is second to none.

**We stand by our motto:**

**DEDICATED 2 EXCELLENCE**
