Dedicated 2 Excellence

*Stafford County  
Volunteer Fire  
Department—  
Company 2  
Auxiliary*

# *Charlie Robertson's Annual Memorial Golf Tournament*

The Stafford County Volunteer Fireman's Association is dedicated to protecting the health, life, and property of the community and the surrounding areas by providing the highest quality fire, medical, and emergency services. In order to achieve that mission, we believe continuous education is required of our members. We are a non-profit volunteer firefighting department with over 80 active members who respond to over 2400 emergency calls a year. To help our members and their dependents offset the rising costs of education, we have established three yearly scholarships to further fire, medical, or emergency management education. We require applicants to have a minimum of a "B" average to be accepted into the course or program, and we require applicants to write an essay describing why they desire the scholarship and how they will use it for the good of the department and the community. As a means for funding, we have established the Charlie Robertson Memorial Golf Tournament with all proceeds going toward our scholarship fund.

Charlie Robertson was a life member of the Stafford County Volunteer Fireman's Association. Charlie began his service to our community in August of 1976 as a highly active firefighter, officer, and supporter of our department until his death in January of 2010. When we talk of our memories of Charlie, we frequently think of his devotion to firefighting training and education. In the little free time Charlie had, he enjoyed playing golf. Therefore, we have chosen to honor Charlie by naming our scholarship golf tournament after him.

We hope that you will consider making a donation to support the on-site silent auction, tournament prizes, or monetary sponsorship. The various levels of sponsorship will result in forms of advertising advantages. You are also welcome and encouraged to sign up for golf and join us in a day of fun and support to help the Stafford County Volunteer Fireman's Association remain "Dedicated 2 Excellence". We thank you in advance for your support.
